

# Aviation Careers: College Roundtable

*Interested in pursuing a career in Business Aviation?*

The Southern California Aviation Association (SCAA) is hosting an event that will give you insight into a variety of careers working in and around private business jets and what you can be doing now to pursue that career.

The group of professionals at this event will speak and answer questions with you directly. We have an array of professionals representing careers in aviation from different industry segments, that can offer students feedback on the trends for: pilots, maintenance technicians, Unmanned Air Vehicles (UAVs), flight attendant, airport operations specialist, flight coordination, aircraft sales, finance, accounting, marketing professional, and more...

**When:** May 2nd, 2014

10:00am- 12:00pm

SCAA Networking BBQ, and The Sky's The Limit Career Day Expo to follow  
(open to Roundtable attendees)

**Where:** Clay Lacy Aviation in Van Nuys (KVNY)

7435 Valjean Avenue  
Van Nuys, CA 91406
